

## MEDIA RELEASE

### Hattonneale announces Executive Mentoring Skills Program

- + **Program designed to equip Executives with the skills needed to tackle mentoring assignments with confidence**

25 August 2008: - The Hattonneale Mentoring Skills Program is a comprehensive training program which has been developed in conjunction with The Institute of Executive Coaching to equip Executives with the skills needed to tackle mentoring assignments with confidence.

The full day workshop will cover the fundamentals of mentoring including;

- + The “Do’s” and “Don’ts” of mentoring
- + Quality and skills of a mentor
- + Constructive/counter-productive behaviours
- + Mentoring tools and models for immediate application
- + Effective listening and questioning techniques and their application in a mentoring context
- + Mentoring practice and application
- + How to conduct your first mentoring session

Each participant receives a mentoring workbook which includes the tools needed to take Executives into practice. The program format will be intimate and interactive and numbers are limited.

The Mentoring Skills Workshop will be held on Thursday 25 September 2008, from 9.30am – 5pm, at the Hattonneale offices, Suite B, Building 26, Best Avenue, Mosman. Cost: \$560 (plus GST) per person - tax deductible. Cost includes refreshments and lunch.

#### **About Hattonneale**

Hattonneale is an executive talent consultancy that bridges the gap between traditional executive recruitment and business consulting. It connects its network of executive talent with quality, dynamic, growing businesses. Hattonneale’s approach is bi-focal; it focuses equally on the needs of its clients and its executives. Its services include Executive Talent Contracting, Executive Talent Search (Permanent and Board Positions), Executive Talent Consulting (employment branding, recruitment strategies, coaching, mentoring, succession planning and career transition). See [www.hattonneale.com.au](http://www.hattonneale.com.au)
